Dear Local Businesses,

We hope that this letter finds you well! My name is Taleana Hurst and I am the proud founder and CEO of WallynZavy's Autistic Kids Can Do! We are a 501c3 centered around supporting and helping the lives of children who have autism and other special needs. We provide them with the necessary resources to succeed and grow through their childhood into strong, capable, active, and proud adults. Our resources include but are not limited to educational advocacy, social gatherings, webinars, workshops, and therapy through music and art. On October 13, 2024 from five until nine in the evening, we will have our second annual gala in support of our organization, and we are looking forward to recognizing our students' hard work, being inspired by guest speakers, and honoring trailblazers in our community who have positively impacted autistic children and their families.

The purpose of our letter is to kindly and graciously ask if your business would be willing to be a sponsor for our gala at the Galloping Hill in Union New Jersey on October 13, 2024. If a sponsorship is not in your budget, we would love for you to place an Ad in our Ad book. We admire your efforts and all that you positively add to our community, and we would not only like your support, but we would like to thank you and recognize you for all that your business does. We thank you in advance for your consideration in partnership with us and we look forward to hearing from you soon.
